Central Institute of Family Medicine

MRCGP (INT) OSCE COURSE

Benefits of this course

1. Most extensive and intensive OSCE course internationally, covering all aspects of MRCGP [INT] OSCE.
2. Course structure and content are designed by Prof. Nasir Shah, CEO Central Institute of Family Medicine (CIFM) who is the pioneer of MRCGP [INT] OSCE exams, internationally.
3. The course is led by Prof. Nasir Shah and his team/faculty members who are all experienced examiners of Family Medicine OSCE.
4. Central Institute of Family Medicine (CIFM) is the largest Family Medicine training institute in Pakistan (For details: www.cifm.com.pk).
5. This course is a unique blended experience of online discussions, hands-on workshops, multiple mock OSCEs, last-minute revision, and the final mock OSCE before the MRCGP [INT] OSCE.
6. The course will be conducted and monitored through a dedicated learning management system (LMS)
7. Courses are being held on weekends to ensure minimum leave requirements from jobs. Only 5 working days' leave will be required for the hands-on workshop.
8. All online discussions will be held on the weekends to facilitate candidates.
9. The package includes 3-star accommodation for 9 days with pick and drop from the airport.
10. The package also covers breakfast, lunch, dinner, and all tea breaks.
